

## FINE ART METAL PANEL - ACCESSORIES

### Flat Panel Hang/Stand Courtesy Kit

For smaller sizes, a kit is available which is applicable for both standing and hanging the Fine Art Metal Panel.

		CAT NR.
Flat Panel Hang/Stand Courtesy Kit		1000335

### Aluminium Profile (27x15mm)

For larger sizes a high quality carefully designed aluminum profile is available, which is assembled into sub-frames and bonded to the back of the Fine Art Metal Panel. They increase the rigidity of the panel, space the panel 15mm away from the wall and offer several options for hanging it on or fixing it to a wall. The profile has an attractive satin silver anodised finish.

The sub-frames come in 2 pieces of the same length.

LENGTH (MITRED PAIRS)	CAT NR.
300mm	1000329
400mm	1000330
600mm	1000331
900mm	1000332
