Formats

SIZE	CORE	LENGTH	CAT NR.
610 mm (24")	2"	12 m	998591
1118 mm (44")	2"	12 m	998583

* The use of aqueous dye ink will dramatically reduce image longevity. To determine longevity, testing in actual display conditions is required.

FUJIFILM's tips!

Looking for a durable way to frame your canvases? Do not look any further and try our **Wunderbars framing systems!** The unique design of the bars, ensure that regardless of the hanging environment the canvases will remain under constant tension, eliminating sagging and rippling.

To make sure your canvas remains **even longer in top shape**, we recommend to apply the Hahnemuller varnish after the print is dry (available in gloss (996719) & satin (996721))
